

## What Does This Warranty Cover?

Timberlane, Inc. warrants to the original purchaser, for only the original property where the products were installed, that our products are free from defects in material and workmanship providing the products were installed according to our specifications. This warranty is limited to the terms and conditions, requirements, and legal's rights as expressly outlined in this document.

## How Long Does The Warranty Last?

All hardware is warranted against defects in material and workmanship for a period of one year from the date of purchase. All hardware offered by Timberlane is considered "reproduction hardware". This may result in slight variations in dimensional accuracy and tolerances. While Timberlane makes every best effort to supply finishes that offer suitable corrosion resistance, Timberlane will not be responsible for "rust streaking" or "spotting" as these conditions are typical in exterior architectural hardware products. The hardware finish is not warranted against deterioration including but not limited to scratches, fading and corrosion, particularly resulting from airborne sea salt.

## What Is Not Covered Under The Warranty?

1. Any post-delivery modifications to any product will void this warranty. Examples of such modifications would include field cutting, drilling, grinding, or altering a product of any kind.
2. The following are not considered defects in material and workmanship: minor finish blemishes, variability of screw hole patterns, fluctuations in material thickness, etc.
